

# Rules for Admission

Together we build respect, responsibility, and success.

- The school is co-educational and admits students who have completed 3 year of age for Nursery as on 31st May, with corresponding age requirements for admission to higher classes.

- Admission is governed by certain government rules and regulations.
- Conditions related to age, ability, and conduct will be considered.

- Applicants will be examined and admitted to the class for which they found suitable.

- No admission will be considered complete until the leaving Certificate from the last recognized school attended is submitted with all columns duly filled.

- In case of students coming from another state, the leaving Certificate must duly countersign by the Education Inspector of the concerned state.

- The management and Principal of the school, being the final authority, reserve the right to refuse any application without assigning any reason.
