

JANMASHTAMI CELEBRATION

A Joyful Tribute to the Divine Spirit of Lord Krishna

“Whenever there is a decline in righteousness and an increase in unrighteousness, I manifest myself.” — Bhagavad Gita

Festivals are an integral part of our cultural heritage, providing children with opportunities to understand traditions, values and the rich legacy of our country. With great enthusiasm and devotion, our school celebrated **Janmashtami**, the auspicious festival commemorating the birth of **Lord Krishna**, the embodiment of love, wisdom, compassion and righteousness.

The school campus came alive with a vibrant festive atmosphere as students and teachers participated

wholeheartedly in the celebrations. The programme began with a serene prayer and a brief introduction to the significance of Janmashtami. Students learned about the life and teachings of Lord Krishna and how his message of truth, duty and righteousness continues to inspire people across generations.

One of the most delightful highlights of the celebration was the **Krishna-Radha fancy dress presentation**. Our little ones looked adorable in their colourful traditional costumes. Dressed as Lord Krishna, Radha, Yashoda and other characters from Krishna's life, the children added charm and innocence to the celebration. Their confidence and enthusiasm won the hearts of everyone present.

The cultural programme was a beautiful blend of **music, dance and storytelling**. Students presented devotional songs and graceful dances depicting different episodes from the life of Bal Krishna. Through their performances, they beautifully portrayed Krishna's

playful childhood, his love for music and his deep bond with his devotees. The vibrant costumes, melodious music and expressive performances created a truly enchanting experience.

The celebration also included a variety of **creative and engaging activities**. Students participated in Janmashtami-themed drawing and colouring, matki and flute decoration, craft activities and classroom displays. These activities encouraged imagination and creativity while helping students connect with India's cultural traditions in an enjoyable way.

The much-awaited **Dahi Handi activity** added excitement and energy to the celebration. Students

enthusiastically participated in this traditional activity and experienced the importance of **teamwork, cooperation, coordination and unity**. The cheerful atmosphere and collective participation made the event memorable for everyone.

Teachers used the occasion not only to celebrate but also to share meaningful lessons from Lord Krishna's life. Students were encouraged to practise kindness, speak the truth, respect others, remain courageous during challenges and perform their duties sincerely.

The celebration thus became a meaningful combination of **culture, education, values and joyful learning.**

The Janmashtami celebration concluded with gratitude and cheerful smiles. It left everyone with beautiful memories and a renewed appreciation for India's timeless traditions.

Through such celebrations, our school continues to nurture young minds who are not only academically capable but also **culturally aware, compassionate, confident and rooted in strong values.**

“Let the melody of Krishna’s flute fill our hearts with love, peace and happiness.”
