

# JANMASHTAMI CELEBRATION

## **A Joyful Tribute to the Divine Spirit of Lord Krishna**

*“Whenever there is a decline in righteousness and an increase in unrighteousness, I manifest myself.” —  
Bhagavad Gita*

Festivals are an integral part of our cultural heritage, providing children with opportunities to understand traditions, values and the rich legacy of our country. With great enthusiasm and devotion, our school celebrated **Janmashtami**, the auspicious festival commemorating the birth of **Lord Krishna**, the embodiment of love, wisdom, compassion and righteousness.

The school campus came alive with a vibrant festive atmosphere as students and teachers participated wholeheartedly in the celebrations. The Janmashtami celebration began with the beautiful presentation of the **birth of Lord Krishna**.

The children narrated how Lord Krishna was born in **Mathura** to Devaki and Vasudeva. They beautifully portrayed the significance of his divine birth and his journey to **Gokul**. The presentation filled the atmosphere with devotion, joy, and excitement. It was a wonderful way to begin the celebration of the birth of Lord Krishna.

The celebration continued with the enchanting **Raas Leela of Lord Krishna and the Gopis**. The children beautifully portrayed Krishna's playful and joyful moments in **Vrindavan**. Through their dance and expressions, they brought the traditional story to life.

The colourful performance reflected love, devotion, happiness, and togetherness. It was a delightful and memorable presentation by our little ones.

The children then presented the heart-warming story of **Lord Krishna and his childhood friend Sudama**. Their story beautifully showcased the value of true friendship, love, humility, and selflessness.

The children conveyed the message that true friendship remains strong beyond wealth and status. Their innocent and touching performance won everyone's hearts. It was a beautiful reminder of the importance of genuine **friendship in life**.

The festive spirit reached its peak with an **exciting Dahi Handi** celebration. Our little Krishna and his friends enthusiastically participated in the traditional **Matki Phod** activity. With teamwork, excitement, and cheerful smiles, the children successfully broke the Dahi Handi. The joyful celebration brought immense happiness and energy to the entire gathering. It was truly a fun-filled and memorable moment for our little champs.

Through such celebrations, our school continues to nurture young minds who are not only academically capable but also **culturally aware, compassionate, confident and rooted in strong values.**

**“Let the melody of Krishna’s flute fill our hearts with love, peace and happiness.”**
